CORKSCREWS & OPENERS

ES | Nuestra tecnología de doble apoyo automático es una patente original que revoluciona el clásico sacacorchos de dos tiempos. Solo nosotros tenemos el privilegio de fabricar y vender esta maravilla de la ingeniería, gracias a su protección exclusiva.

No te conformes con sacacorchos comunes, elige la innovación, elige el sacacorchos Koala con doble apoyo automático. ¡Una auténtica obra maestra en la apertura de botellas de vino que solo encontrarás aquí!

PT | Nossa tecnologia de suporte duplo automático é uma patente original que revoluciona o saca-rolhas clássico de dois tempos. Somente nós temos o privilégio de fabricar e vender essa maravilha da engenharia, graças à sua proteção exclusiva.

Não se contente com saca-rolhas comuns, escolha a inovação, escolha o saca-rolhas Koala com suporte duplo automático. Uma verdadeira obra-prima na abertura de garrafas de vinho que você só encontrará aqui!

IT | La nostra tecnologia di supporto doppio automatico è un brevetto originale che rivoluziona il classico cavatappi a due tempi. Solo noi abbiamo il privilegio di produrre e vendere questa meraviglia dell'ingegneria, grazie alla sua protezione esclusiva.

Non accontentarti di cavatappi comuni, scegli l'innovazione, scegli il cavatappi Koala con doppio supporto automatico. Un vero capolavoro nell'apertura delle bottiglie di vino che troverai solo qui!

EN | Our double automatic support technology is an original patent that revolutionizes the classic two-step corkscrew. Only we have the privilege to manufacture and sell this engineering marvel, thanks to its exclusive protection.

Don't settle for common corkscrews, choose innovation, choose the Koala corkscrew with double automatic support. A true masterpiece in wine bottle opening that you'll only find here!

FR | Notre technologie de double support automatique est un brevet original qui révolutionne le tire-bouchon classique à deux temps. Seuls nous avons le privilège de fabriquer et de vendre cette merveille de l'ingénierie, grâce à sa protection exclusive.

Ne vous contentez pas de tire-bouchons ordinaires, optez pour l'innovation, optez pour le tire-bouchon Koala à double support automatique. Un véritable chef-d'œuvre dans l'ouverture de bouteilles de vin que vous ne trouverez qu'ici!

DE | Unsere Technologie des doppelten automatischen Supports ist ein Originalpatent, das den klassischen zweistufigen Korkenzieher revolutioniert. Nur wir haben das Privileg, dieses Meisterwerk der Ingenieurskunst herzustellen und zu verkaufen, dank seines exklusiven Schutzes.

Setzen Sie sich nicht mit gewöhnlichen Korkenziehern zufrieden, wählen Sie die Innovation, wählen Sie den Koala-Korkenzieher mit doppeltem automatischen Support. Ein wahres Meisterwerk bei der Öffnung von Weinflaschen, das Sie nur hier finden werden!
